

98-2018-C

REMARKS

Applicants request entry of the above-identified amendment to the Substitute Specification mailed on January 20, 2003. Applicants mistakenly deleted the "Cross Reference to Related Application" section when preparing the Substitute Specification mailed on January 20, 2003. Accordingly, support for this amendment is found in the Specification as originally filed and in the respective parent case. Furthermore, Applicants submit that support for the amendments made in the Substitute Specification and in the Preliminary Amendment, both mailed on January 20, 2003, is found in the specification as originally filed and in the parent case as originally filed. Accordingly, no new matter is introduced by this preliminary amendment or in the substitute specification and preliminary amendment mailed on January 20, 2003.

Prosecution on the merits is respectfully requested.

If there are any charges with respect to this Amendment or otherwise, please charge them to Deposit Account No. 06-1130 maintained by Applicants' attorneys.

Respectfully submitted,
